**Order Approving and Adopting Report and Recommendation
to Dismiss Complaint With Prejudice**

On May 2, 2018, the Magistrate Judge submitted and filed her Report and Recommendation (Dkt. 16) to dismiss the plaintiff's complaint with prejudice because the plaintiff did not appear, as ordered, at the initial pretrial conference and she did not respond to the court's later order that she show cause why sanctions, including dismissal, should not be entered because of her failure to appear at the conference. The parties were afforded the opportunity according to statute and the Federal Rules of Civil Procedure to file objections to the Report and Recommendation. No party filed an objection. The Court, having considered the Magistrate Judge's Report and Recommendation and being duly advised, now APPROVES and ADOPTS it [16]. Final judgment dismissing the plaintiff's complaint with prejudice will be entered.

IT IS SO ORDERED.
